Program Description			
<p>The Right Prep's mission is to give children rewarding educational experiences that will build self-esteem, confidence and self respect. The program offers Math, Reading and Science intervention instruction for students in grades K-8. We offer services after-school Monday through Thursday during school calendar days. Services are provided at the local public schools, community centers and libraries. Each session is 1 1/2 hours. Our program will also provide services on Saturdays for students who are not available during the week. Our program sites are run by certified teachers and we employ college educated instructors who have experience in the subject areas they teach. We offer group tutoring and have a maximum of 8 students to 1 instructor. We provide pre, mid and post testing in addition to at least 42 hours of instruction. Parents and schools are given monthly progress reports. We provide students with healthy snacks and they also receive a reward at the completion of the program. Please contact Tawanda D. Lane, Esq. 1(888) 431-3075 or therightprephr@gmail.com.</p>
